a. ADOPTION OF RESOLUTIONS

Patrick Tweedy has been a long time member of the Campbell County Planning Commission and has served the Planning Commission well for more than 31 years. While his term would end December 31, 2020, Mr. Tweedy has advised he would be stepping down at the end of 2019.

Richard Metz served on the Planning Commission since 2008 and on the Economic Development Commission since 2015. Due to his health, he had to step down from both commitments and passed away on Monday, October 14th. At the request of the Board, staff prepared resolutions to honor both Mr. Tweedy and Mr. Metz. Those resolutions are attached.

RECOMMENDATION: Staff recommends the Board adopt the attached resolutions. Staff will schedule a time to present the resolutions to Mr. Tweedy and the family of Mr. Metz.

Kristin B. Wright, Staff Attorney
b.  **PERMISSION TO ADVERTISE – CODE UPDATE**

Semi-annually the Board of Supervisors updates the Code of Campbell County with mandated changes that result from action of the General Assembly and discretionary changes that are initiated by either the Board or staff during the year.

Some of the proposed amendments to the County Code for the regular fall update are mandated changes to mirror state law changes that were effective July 1. Others are discretionary changes requested by staff or are minor amendments clarifying certain aspects of the Code. Staff will review the summaries for the semi-annual update at the Board meeting. The amended text for all chapters is available electronically with a paper copy available in the County Administrator’s Office. The summary of all changes is attached to this memorandum.

**RECOMMENDATION:** Staff recommends that the Board approve the advertisement of a public hearing to update the Campbell County Code for the December 3, 2019 Board of Supervisors meeting.

c.  **PROPOSED 2020 LEGISLATIVE AGENDA**

Each year staff presents the Board with a proposed list of legislative items for consideration. The adopted legislative priorities are forwarded to the Virginia Association of Counties for inclusion in the Association’s annual statewide legislative priority list. Copies are sent to our area legislators and a meeting will be scheduled with them later this year to include the Board Chair, Vice-Chair, County Administrator and Deputy County Administrator to discuss the Board’s priorities.

Attached is a [proposed legislative agenda](#) for your review. Staff anticipates discussion of the agenda and has scheduled a few minutes at the November 7, 2019 Board of Supervisors meeting to obtain Board input on whether there is continuing need for existing items and to take suggestions for other items not identified.

**RECOMMENDATION:** Staff would like to receive input from the Board as to what items should remain on or be added to the attached legislative agenda. Following the discussion and adoption, staff will finalize the agenda and forward the final list of proposed legislative items to VACo and area legislators.

Clifton M. Tweedy, Deputy County Administrator

   i.  Status of Outstanding Highway Matters: See agenda

   ii. Highway Matters Action Items: None

- General Representation: $5,254.00

- Miscellaneous Matters: $1,387.50

**Expenses Paid**
- Real Estate Tax Collection: $1,400.81
- Personal Property Tax Collection: $216.40

c. **APPOINTMENT OF BUILDING OFFICIAL**

The County Code establishes the position of Building Official and provides that the individual shall be appointed by the County Administrator with the approval of the Board of Supervisors. The position is available for appointment due to the resignation of Brandon Dillard.

Jonathan W. Pugh accepted the position of Building Official effective December 1st. Mr. Pugh has been serving as a Building Inspector/Property Maintenance Inspector/E&S Inspector with Amherst County for over four years. He also has experience in various private sector construction jobs, and he graduated from Central Virginia Community College with an A.A.S. degree in Technical Studies (Building Trades).

d. **LEASE EXTENSION – CAMPBELL COUNTY FSA OFFICE**

The Board may recall that space in the County’s Ag Building on Kabler Lane is leased in part by the USDA. A short term lease extension was approved in May of 2018 to go until December 31, 2019. Recently the County received a proposed three (3) year lease agreement for continued use by the Farm Service Agency.

The requested lease extension will enable the facility to remain in use with its current tenants. The facility and services offered there are valuable resources to our local and regional agricultural community. The lease extension does not require any additional capital improvements to the building. However, we are making some improvements to the server room to meet current security requirements.

e. **ST. JUDE DREAM HOME BUILDING PERMIT FEE**

On October 22nd, a groundbreaking was held for the St. Jude Dream Home Giveaway. This year’s home is being built in the Trent’s Landing development, here in Campbell County.

The St. Jude Dream Home Giveaway is a fundraising effort for St. Jude Children’s Research Hospital. The purpose is to build a home with as little to no cost as possible so that all money
raised from raffle tickets purchased to win the home will go towards making sure no patient will ever have to have a bill for medical treatments as well as travel and food expenses, and for the continued research in their fight against childhood cancer. Additional information is available at [www.dreamhome.org](http://www.dreamhome.org). The developers have asked that the Building Permit fees be waived as a donation to the project. Because the County’s permit fee schedule is codified in the County Code, Board authorization is required to waive the permit fee.

RECOMMENDATIONS: Staff recommends the Board:

a. Approve the appropriations as presented;

b. Approve the County Attorney invoice of $12,933.21;

c. Approve the appointment of Jonathan Pugh as Building Official;

d. Authorize the execution of the three (3) year lease extension;

e. Authorize the donation of the building permit fee for the St. Jude Dream Home Giveaway project in Campbell County.

5. **APPOINTMENTS**

Attached for your review is a list of appointments.

6. **MATTERS FROM THE BOARD**

A few minutes is scheduled at each meeting to discuss matters from the Board.

7. **CLOSED MEETING**

a. Staff is requesting the Campbell County Board of Supervisors enter into Closed Session in accordance with Section 2.2-3711 (A)(7) of the Code of Virginia to consult with legal pertaining to possible or pending litigation related to the Region 2000 Services Authority.

7:00 P.M.

The solar facility would contain approximately 181,600 photovoltaic (PV) solar panels and the amount of energy generated over the course of one year would be enough to power approximately 12,000 single-family homes. The solar facility would connect to an existing Dominion Virginia Power 69kV transmission line that runs through the property. A new, small 3-breaker substation would be constructed on-site, but no off-site electric lines or structures would be required. The project includes an approximate 100-foot setback on all sides and would be enclosed with a fence.
