---

## ▶ Track Record

Track record of success in providing innovative and sustainable solutions to our clients

---

## ▶ High Quality

Our employees prioritizing providing high- quality services that meet the unique needs of each client and community we serve

---

## ▶ Local Business

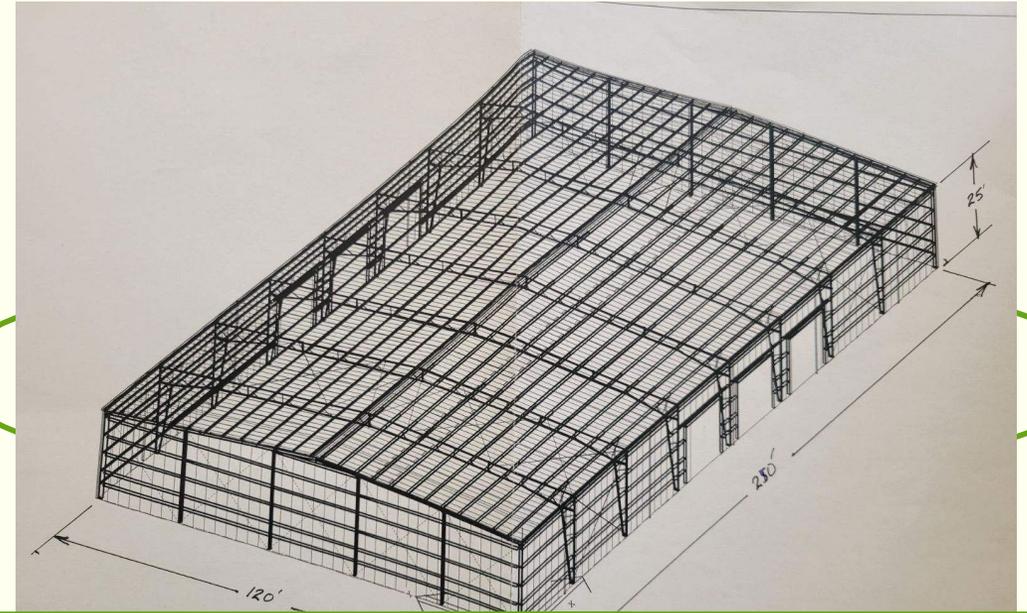

We are a local company that serves Campbell county and provides jobs to its residents

# OUR PROPOSED SOLUTION

**Site Reconstruction**

**Construction of a Transfer Facility**

# OUR PROPOSED SOLUTION

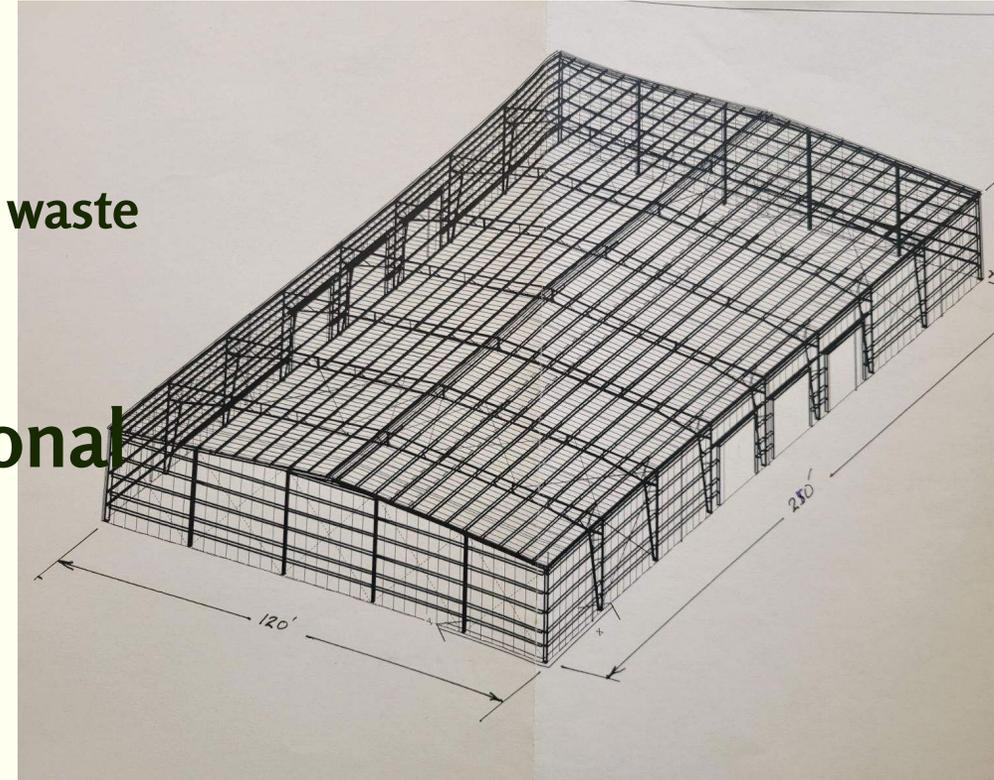

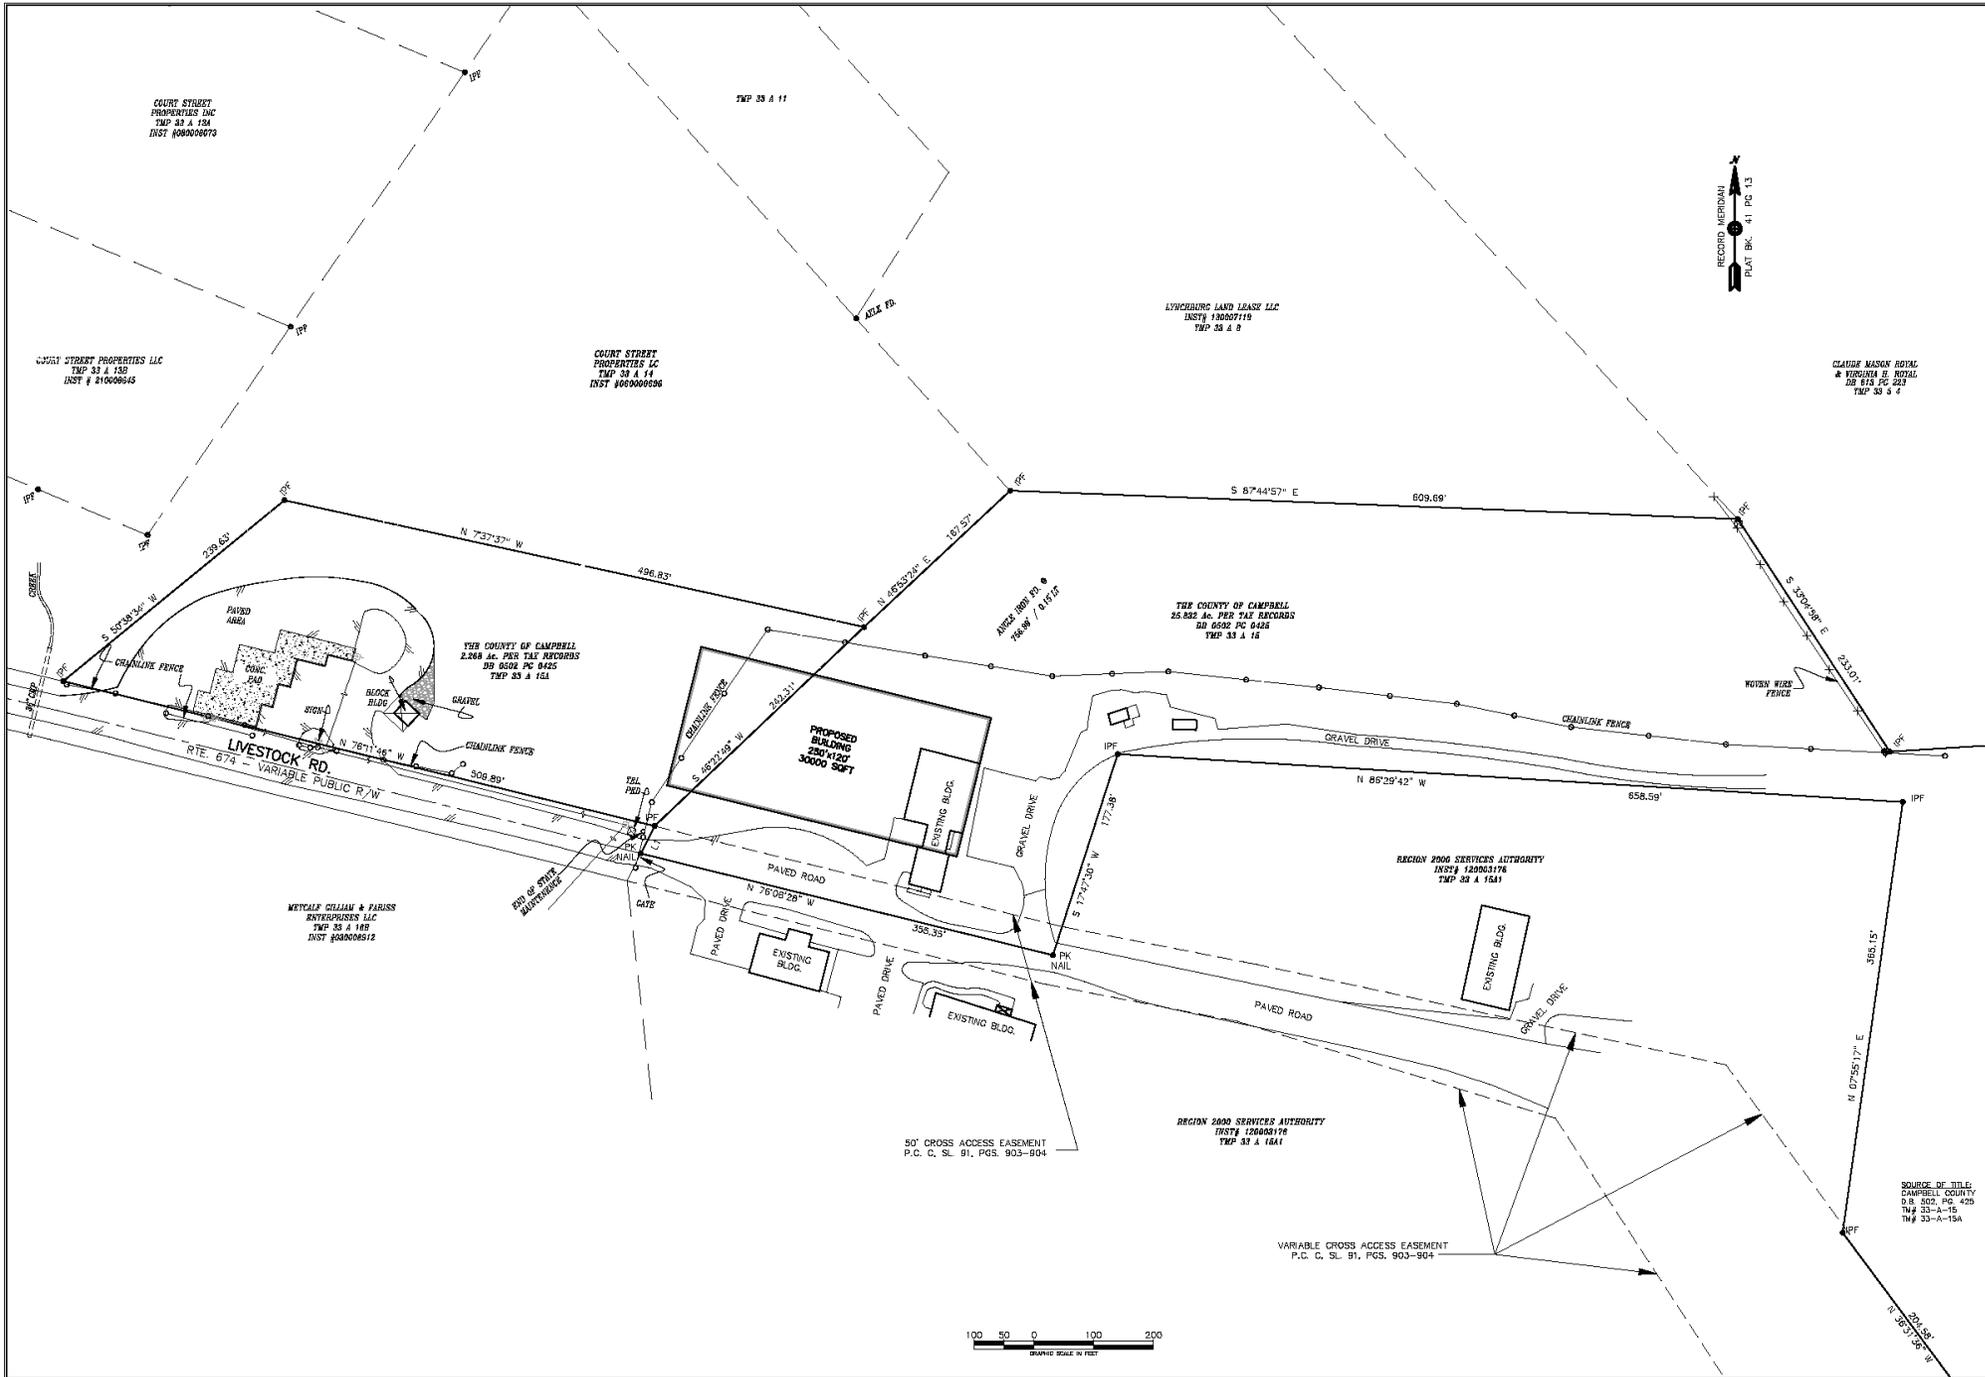

**Comprehensive Recycling and Disposal System**

# TRANSFER FACILITY

- Construction of a 30,000 ft sq facility
- Receive solid waste from public
- Capacity to handle private and commercial solid waste
- Share operations - Lowers county's burden

This change will result in an additional  
10-30% recyclability of Solid Waste

# RECYCLING AND DISPOSAL SYSTEM

- System that will process and dispose of all solid waste
- Designed to maximize recycling
- Will reduce waste
- County remains in control of solid waste endeavors

# COST SAVINGS

07

County saves \$13.40 per ton by relocating Livestock and reducing unnecessary hauling

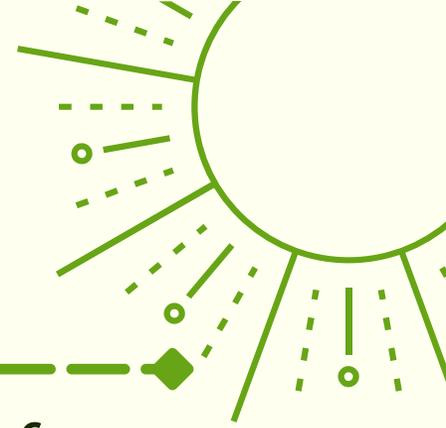

Total cost will not exceed \$2 million for transfer facility

Recycling Process could double life of new landfill
